Subject: Clinton Foundation 2014 Tax Return

[Clinton Foundation 2014 Tax Return](#)

<http://targetfreedom.com/clinton/clinton-foundation-2014-tax-return/>

These figures are from an official copy of the Bill, Hillary and Chelsea Clinton Foundation for the tax year 2014. The copy of the tax return is from the National Center for Charitable Statistics website. You can get the latest tax return on any charitable organization.

Total revenue (line 12)\$177, 804,612.00

Total grants to charity (line 13)\$5,160,385.00 (that's less than 3%)

Total expenses of..... .. \$91,281,145.00

Expenses include: salaries (line 15)....\$34,838,106.00

fund raising fees (line 16a)\$850,803.00

other expenses (line 17)\$50,431,851.00

They list 486 employees (line 5)

It took 486 people who are paid \$34.8 million and \$91.3 million in fees and expenses, to give away \$5.1 MILLION WHICH IS LESS THAN 3% OF TOTAL REVENUES.

Line 22 shows ending year net assets/fund balances of \$332,471,349.00 which is up \$85,171,891 from last year's tax return.

A CHARITY?

The full tax return is at:

http://990s.foundationcenter.org/990_pdf_archive/311/311580204/311580204_201412_990.pdf

Part IX reflects some "interesting" expenses. Travel of almost \$8 million and meeting expense over \$12 million.

Why is this never mentioned in the discussions about foreign governments influencing our elections?

It was the Russians fault that
my corruption was exposed

STUPIDITY IS NOT A HANDICAP IN POLITICS

Do you remember someone named Rachel Maddow?
Rachel Maddow is the "has been" who committed career suicide by
announcing that she had a big expose' on Trump's tax return.

It turned out that Donald Trump Paid **\$38 million dollars** Income Taxes
in 2005

<https://www.youtube.com/watch?v=fEwUGhJr3eY>

**On March 14th at 8:36pm, MSNBC's Rachel Maddow tweeted:
"BREAKING: We've got Trump tax returns. Tonight, 9pm**

White House Statement: "You know you are desperate for ratings when you are willing to violate the law to push a story about two pages of tax returns from over a decade ago. Before being elected President, Mr. Trump was one of the most successful businessmen in the world with a responsibility to his company, his family and his employees to pay no more tax than legally required."

"That being said, Mr. Trump **paid \$38 million dollars even after taking into account large scale depreciation for construction, on an income of more than \$150 million dollars, as well as paying tens of millions of dollars in other taxes such as sales and excise taxes and employment taxes and this illegally published return proves just that."**

"Despite this substantial income figure and tax paid, it is totally illegal to steal and publish tax returns. The dishonest media can continue to make this part of their agenda, while the President will focus on his, which includes tax reform that will benefit all Americans."

THE ILLEGALLY OBTAINED AND RELEASED TAX RETURNS SHOW THAT TRUMP PAID 25% OF HIS INCOME IN TAXES. THIS IS A HIGHER RATE THAN MSNBC, WHO LEAKED THE STORY.

THIS IS ALMOST TWICE THE RATE PAID BY BERNIE SANDERS.

Thomas Jefferson said:

"The price of freedom is eternal vigilance."

We add this:

"The battle for liberty is never won, and is never lost.

The battle for liberty always continues.

It is never too late, and it is never soon enough, to defend freedom.

No matter how enslaved we are, we always have hope.

No matter how free we are we are never safe.

NOTHING EVER LIMITS THE GOVERNMENT, EXCEPT THE PEOPLE.

Any generation that fails to defend freedom will lose it.

The next generation will have to shed blood to gain it back.

When the defense of liberty becomes a crime, tyranny is already in force. At that point failure to defend liberty makes slavery at certainty."

The National Security Agency is the only part of the government that actually LISTENS to you. Do you wish that the government would read the Constitution? Just email it privately to your friends. What we formerly called "freedom of speech" we now call the "right to remain silent." BUT they will now claim that you DO NOT HAVE the right to remain silent... if THEY are asking the questions. The Patriot Act is constitutionally illegal, but was signed into law takes away your rights and turns them into privileges, which the government can grant or take away at will. If you remember we were told that this would just be temporary. Now it has been made permanent. But no one protested did they?
