National Review is a Counterfeit Conservative Outfit ... Just as **The Nation** is Counterfeit Liberal magazine.

Wm Buckley was mentioned among others in a 1975 column by Nicholas von Hoffman defending the Bilderbergers. Others in the **Washington Star** article were **David and Nelson**

Rockefeller, Robert McNamara, Baron Edmond de Rothschild, William Paley (CBS), Senator William Fulbright, and Reagan's handler and head of the United World Federalists **Cord Meyer.**

In 1952 **Buckley's** answer to Communism was "**Big Government for the duration**", "**centralization of power in Washington**".

When socialist **Norman Thomas** six time runner for president reached his 80th birthday Not only did Communist **Gus Hall** in the Worker praise his work for "socialism, our common goal" ... **Buckley** choose the occasion to praise him.

In a July syndicated column 1971 **Buckley** suggested America might try wage and price controls. In November of that year **Buckley** promoted the **United Nations** and the **U.S.** should continue to support **it.**

Buckley supported the **Genocide Treaty** which can put Americans at risk of under the World Court "genocide" by merely causing "mental anguish". Just look at the cries of by the Political Correctness crowd today!

Buckley proposed free college aid in exchange for four years service in a **National Police Corp** (Boston Herald April 6th 1991).

August 31 1992 **Buckley** wrote that conservatives should give up their interpretations of the Second Amendments.

In 1997 **Buckley's** column wrote that conservatives should support **The Kyoto Protocol** by fortitude and optimism.

In his column February 1979 **Buckley** lamented the **Henry Kissinger** (T/B/CFR) was not a "natural born citizen" and could not be nominated for president.

Buckley supported Hitlerian ***national service for youth***, the anti 2nd Amendment ... **Brady bill**, and the Panama giveaway.

Buckley's program **Firing Line** promoted counterfeit conservatives. members of CIA/ CFR.

Buckley's association with **Kissinger** and the **Rockefeller family** is documented in the book William F. Buckley ... **Pied Piper for the Establishment** in 2002.

Next to **Glenn Beck** is Bilderberger **William Kristol** (Bilderberger). **William Kristol** Neo Con magazine is the **Weekly Standard**. Radio KSCO's Wendell Willkie Republican **Charlie Freedman** has continually sold subscriptions of the **Weekly Standard**.

Irving Kristol (Wm Kristol's father) with **CIA** money ran a magazine in favor of the Socialist government in Britain called **Encounter**.

And a driving force for **The Project for a New American Century** made up of mostly of **Council on Foreign Relations** members.

Next to **Thomas Sowell** with a beard is **Brent Bozell** an in-law of **William F. Buckley**. In February 2014, former employees of the **Media Research Center** alleged that **Bozell** does not write his own columns or books and instead has **used a ghostwriter**, Tim Graham. He is a nephew of the late conservative writer and *National Review* founder, **William F. Buckley**.

Maybe more to come ... if people need see the background on the cabal. Whitepaper@aol.com
